

During this time of emergency, as the Covid-19 virus causes havoc with so many aspects of our lives, please be assured of the ongoing prayers of the family of God at St James, Longdon. Although services have been suspended the church building will still be open during daylight hours for private prayer and reflection. There are also Orders of Service that you can use in church or take away to assist your private prayers.

If you are self-isolating and would like to receive a friendly phone call, or have shopping or prescriptions fetched, letters posted etc. please contact me, Jan or our Curate Emma on the phone numbers or email addresses below. We can arrange for these to happen.

Or if you are in a position to volunteer to help support the most vulnerable in our community, we would love to hear from you.

Although life will be very different for us all over the coming weeks, this is our opportunity to serve God by serving each other.

Please be assured of our prayers for you and your nearest and dearest.
